ello dear
reader,

This month's
edition

contains the recent events,
the National Motoring
Heritage Day at Kilmore and
the Third Sunday drive to
Werribee Mansion and pub.

It will be a big month in July with the Christmas in July at the Radio Springs Hotel in Lyonville and the Annual General Meeting for Motafrenz. We look forward to seeing you there!

As always, if you have anything interesting that you think our readers may enjoy, please send it to editor@motafrenz.org.au

ear members,

The financial year is ending and the current committee is preparing to stand down. Details regarding the AGM and formal notice will be issued shortly.

The committee are working hard to prepare the AGM. Please consider joining the committee so you can help to shape the direction of Motaafrenz in the coming year.

Our annual Christmas in July is also approaching. We will be going for a drive in a different direction this year, heading out to Trentham. It is always a popular event and we hope to see you there. Mary Christmas would love to catch up with our members.

Please RSVP for both events ASAP.

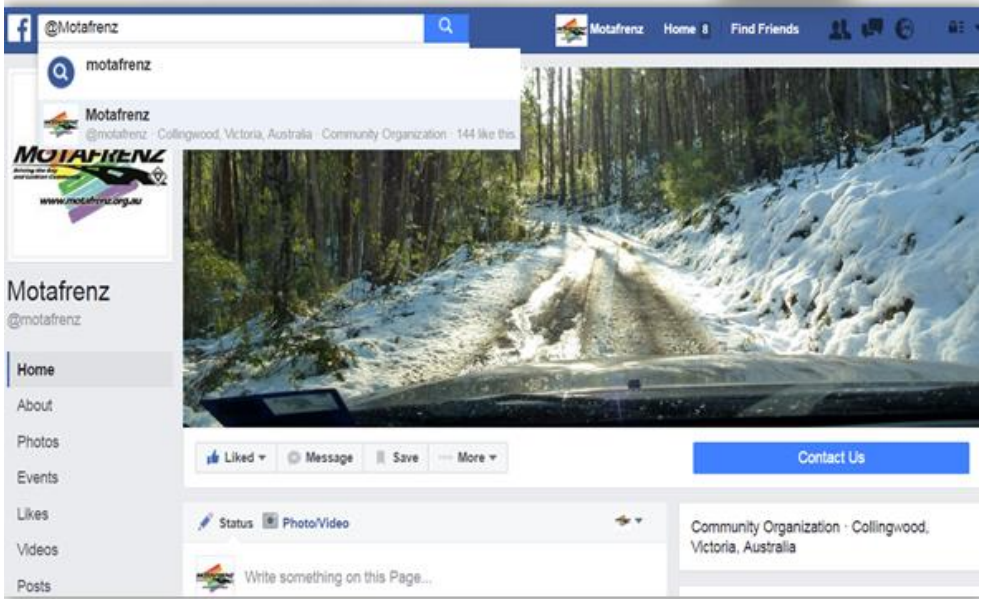

Also just a reminder that it is vital members with CPS vehicles remain current members and pay their memberships for the following year- this is a VIC Roads requirement.

Happy motoring.

Kind Regards,

Brett

SUNDAY DRIVE & LUNCH (3rd Sunday of Every Month)

For details see events listing which follow here.

4WD DAY TRIPS

Motafrenz has in the past run successful 4WD events. Previously these were scheduled with fixed dates and locations with varying difficulty levels 1 to 3 out of five. Some members have taken up the offer to complete a 4WD courses. Motafrenz holds an EPIRB emergency beacon device for such use where telephony and radio communications are compromised, which is often the case on 4WD events. Past events have been family and community friendly with picnics in amazingly beautiful locations. This year Motafrenz is looking to get back to having 4WD events and needs a club member who is willing to do some planning and organising. With the full support of the committee, this willing member will coordinate dates, times, places and participants. The Motafrenz committee looks forward to getting 4WD events rolling again and it does need time commitment. Please consider becoming active in this role and taking on 4WD events.

Contact: Email Jeff W at events@motaafrenz.org.au or come along to a committee meeting and get involved.

FYI EVENTS

Note: With regard to events not organised by Motaafrenz: the nature of events and the entertainment provided is outside the control of Motaafrenz. Members may care to view the event's website where they can assess for themselves, from their point of view, the suitability of the event and the entertainment provided by the organisers.

Dear Member Clubs

You may have noticed that there has been a delay in you members receiving their Club Permit renewals for due in July.

We have spoken to John Lewis at Vic Roads and confirmed that this is the case due to largely to the finalisation of the TAC charges for the new financial year.

Please advise your members that July renewals will be in the mail as of Monday and they should look out for them. You may also like to advise Club Permit Officers to expect a increased floury of activity as members receive their renewals.

Kind Regards

SEPTEMBER

EVENT: Nomads/Motafrenz joint venture - Vehicle based travel to Western NSW and Southern Queensland

WHEN: Thursday 6th to Sunday 22nd September (16 days)

DETAILS: Nomads Outdoors Walking Group has invited Motafrenz Car Club to participate in a road trip to Western NSW and Southern Queensland.

This is a fantastic opportunity to enjoy a long journey and many stunning destinations including national parks and the Broken Hill Broken Heel festival.

Come along and enjoy good company with a club of keen bush walkers taking road trip to beautiful outback places. There will be camping in national parks and motel stays, and no doubt frivolity at the Broken Heel festival.

There will be Q&A sessions with the Nomads prior to this event to discuss interests and ask questions, so please contact Nomads event leader: Roger H rmearsh@gmail.com

BROKEN HILL ACCOMMODATION: Early booking for the Broken Heel Festival accommodation on the 7th and 9th in Broken Hill is a good idea. The Broken Heel Festival is a national phenomenon and already programmed so accommodation will disappear fast.

CAR POOLING: It is up to each car owner to individually decide with their passengers what to do should they offer to car pool. See carpooling costs using RACV figures below should you choose or offer to car pool

ROAD CONDITIONS: Long highway distances, unsealed roads and some rough tracks

SUITS CARS: Not all types. 4WD is not essential, however a vehicle with reasonable ground clearance is advisable since there will be some rough tracks

DESTINATION: Western NSW and Southern Queensland

COST: \$5.00 registration fee with Nomads. Also consider your own running costs, accommodation and meals plus extras

BOOKING: Essential with the Nomads.

BRING: Camping gear and everything else you require for a long road trip

PETS: No pets. Pets are not allowed in national parks

RSVP: Nomads event leader Roger H by 1 September on 0400 283 623 or rmearsh@gmail.com

FROM THE NOMADS SUMMER NEWS LETTER:

Many expressions of interest were received, resulting in selection of the dates above. The first weekend coincides with the Broken Heel Festival in Broken Hill. Those that don't want to attend that could join the following Tuesday 11th September in Broken Hill.

- Even if you have already expressed interest, please re-confirm your interest if you can join us in this lovely part of Australia.

Grade | Length | Type: Easy – car based camping in the National Parks and station camps along the Darling River, and possibly into Southern Queensland (final locations TBA).

Distance: It takes a long day to drive to Broken Hill (850km) from Melbourne, from where we would drop the pace.

Transport : We will share vehicles to minimise costs and make the sometimes long drives more interesting. 4WD is not essential, but a vehicle with reasonable clearance is prudent since we will drive on some rough roads. You do not need your own suitable vehicle. Once we know who is interested, we can decide which vehicles to take.

Activity Description: There are many picturesque and tranquil camping places, stays at outback stations that open for travellers and stunning National Parks. The trip would include attending the Broken Heel Festival (LGBTI) in Broken Hill. This is a peculiar and most unlikely event not to be missed. See www.bhfestival.com. Highlights would be camping in remote places, experiencing the tranquillity and beauty of the Great Australian Outback, sunsets, sitting around the campfire, birdwatching, strolls, stargazing, visiting historic towns and more. We would not have a rigid program, but would take advantage of nice places we find, and move at the pace that suits us. Two weeks is a minimum to slow down to the pace of the Outback. However you are free to join

and leave the group when you wish. Here are some links to some of the national parks to inspire you.

Further Information : Contact Roger H. RSVP : by 1st September to Roger H. on 0400 283 623 or rmearsh@gmail.com

Car Pooling

It makes sense to carpool to the start of an activity rather than have cars travelling with just one driver. Leaders will try to link up participants on common routes. This might not always mean door-to-door pickup though! Using RACV figures for running costs of fuel, tyres and service (as distinct from standing costs which occur irrespective of use), the recommended basis of reimbursement falls into three bands:

- Petrol cars up to 2 litres capacity, diesels, hybrids and LPG vehicles: 16 cents/km.
- Petrol cars above 2 litres, people movers and compact SUVs: 20 cents/km.
- Medium and large SUVs: 30 cents/km.

Rainbow Tour 2018

After a long and hard work, the programme of the rainbow tour 2018 is ready.

You can discover the complete programme and booking form on the ledorga website www.ledorga.fr

For this year, start and 1st part will be in Nevers (Nièvre department), and 2nd part will be in St Nectaire (Puy de dome department).

Are you ready to visit castles, cars museum, Michelin museum, travel in old train, taste and drink wines, boat cruise and others activities?

Bookings are open for the next rainbow tour 8 - 15 September 2018.

Kinds regards

NATIONAL MOTORING HERITAGE DAY

By Jeff W. Pics by Mat G.

The aim of the National Motoring Heritage Day (NMHD) is to promote and display Australia's strong motoring heritage and also show the community, business and government the strength of the Australian motoring movement. This year's NMHD certainly did that.

With the weather looking a bit sketchy for the day, a few of us met up the meeting place for our 3rd Sunday drive to Kilmore for the NMHD. Some couldn't make it for various reasons and many apologies were passed on. Chris G brought Roy the Rover splendidly polished. I brought the EH Holden and Ross J with his late model Holden Commodore. James H brought his adorable Pip along. Pip and James rode with Chris in Roy the Rover.

Upon arrival at the Kilmore Racecourse, we discovered that none of our cars were alone. Many Rovers and late model Commodores, a very nice HD Premier and an amazing collection of vehicles spanning the world and the years. My favourite goes to the SS Jaguar but I would love the Gold VG coup. There were many original condition and low mileage cars there. It was also amazing to see so many CPS plated cars. There were very few with full registration.

Mat G and Phillip joined us up there. The idea of the NMHD certainly leads to a very relaxed atmosphere where most participants are there to represent their vehicle and not their club. Some clubs did have flags flying but very low key and the interest is certainly not about the clubs but the cars and the people that brought them there. Although saying that, I understand Chris was networking with the Rover club.

This was a spectacular day and the weather did hold out but started getting very chilly mid-afternoon. Kilmore is up on the Great Dividing Range after all.

So I hope you get to enjoy some photographs. I certainly enjoyed talking to the woman with her HD Premier in original condition, and another woman with her magnificently restored HG Valiant with 265 cubic inch hemi. All of us spent the day caught up in many conversations with many interesting people. There was the yellow Thunderbird with a dash mounted 7" record player and a very warped John Farnham record sitting on the centre console. (Don't leave your vinyl records in the car they say). Gold coin entry and sausage sizzle went to the local Lions Club. The AOMC had a stall and Ross got talking the the secretary about Men's Shed stuff as there is a special guest coming up on topic at the AOMC delegates meeting. Kilmore Racecourse was a good venue and the AOMC are likely to use it again.

Had the weather been like it was in Windsor yesterday, I'm sure there would have been twice as many cars but around 80 wasn't bad and they were all very interesting.

THIRD SUNDAY DRIVE TO WERRIBEE MANSION

By Jeff W. Pics by various participants.

With a great day for ducks, weather wise, we all met up at the Altona servo in a timely manner. The rain had stopped long enough for us to have a nice chat. Adrian was there in his splendid blue Chevrolet Corvette, David and partner Wayne in his sweet Toyota Camry sedan on club reg, Marcus and David along with Alan in a car far more suitable for the weather than the Morry, and me in my newly acquired Ford EB station wagon on club reg too. With that we headed down to a very cold Werribee Mansion. We certainly enjoyed the conversations about drag racing with the hosts and certainly enjoyed looking around this magnificent and massive mansion and getting some idea of its history. We then all gathered in the café there and then headed to the Commercial Hotel in Werribee for a hearty lunch and drink and more conversation. It was great to have Nick B catch up with us for lunch at the pub too. Sorry that Rod B could not make it in the end but he did hope everyone else turned up with their flippers and to have great day. I'm sure we are all wishing Rod a speedy recovery and will hopefully see him next time.

It was a great day for us too and not just ducks, and we all thoroughly enjoyed it. Next is the Christmas in July Sunday drive to the Radio Springs Hotel in Lyonville. It should be even colder up there but that's what we love about Christmas in July.
